

## HERITAGE HIGH SCHOOL JUNIOR REGISTRATION GUIDE FOR THE 2018-19 SCHOOL YEAR

Students take a total of 8 classes each year. You must have 4 classes in each core area to graduate. You will request these from the Core Classes below. The remaining 4 classes should be chosen from the Career Pathway Chart or the Arts, Foreign Language, PE, and Other Electives list. It is important that you enter each number correctly when you request your classes. If you are a special education student, your core classes will already be entered for you.

**HOPE Rigor requirements:** Over 4 years of high school, students must pass 4 classes from the Rigor Classes list (found on the HHS website) in order to be eligible for HOPE Scholarships or Zell Miller Scholarships.

**If you select an honors or AP class, the deadline for dropping it is May 25, 2018.** Any AP class is a college level class and is taught and graded as such. After May 25, teacher schedules will be set, and we cannot make changes. Students who plan to attend a four year college are encouraged to take honors classes and AP classes.

### Step 1--CORE CLASSES

**Select 1 from each category and enter in Requested Classes.**

<b><u>ENGLISH</u></b>	23.0510037	Am Lit/Comp CP	regular 11 <sup>th</sup> grade English
	23.0510040	Am Lit/Comp H	honors/summer reading req.
	23.0530040	AP Language/Comp/Amer Lit	college level 11 <sup>th</sup> grade English summer reading/assignments required
<b><u>SOCIAL STUDIES</u></b>	45.0810037	US History CP	regular 11 <sup>th</sup> grade Social Studies
	45.0810040	US History H	honors
	45.0820040	AP US History	college level class must have taken US History H
	45.0610040	Economics H	for those juniors who have already taken US History
	45.0630000	AP Microeconomics	
<b><u>MATH</u></b>	27.0992000	Algebra II	1 Semester math
	<b>27.1999000 &amp; 27.1992000</b>	Alg. II Year-Long	Year-long math, enter both course numbers
	27.0977040	Accel. Pre Calculus	honors
<b><u>SCIENCE</u></b>	40.0110037	Physical Sci CP	regular 11 <sup>th</sup> grade science/required
	40.0110040	Physical Science H	honors
	40.0510037	Chemistry CP	regular/must have had Phys Sci
	40.0510040	Chemistry H	honors
	40.0530040	AP Chemistry H	Must have taken Chem H
	26.0730037	Anatomy/Physio CP	regular
	26.0730040	Anatomy/Physio-H	honors/must have had or be taking Chem
	26.0140040	AP Biology	must have had H Bio & must have had or be taking Chem or H Chem
26.0620040	AP Environmental Science	must have had or be taking Chem or H Chem	

**Step 2 is to select 4 more classes under Requested Classes.** Choose these from the Career Pathway Chart or the Electives list. If you are considering dual enrollment, go ahead and select HHS classes but check that you are interested in dual enrollment on the form you turn in. If you are accepted into dual enrollment, we will make the changes in your schedule.

- If you were in Geometry Support and want Algebra II Support, select 27.1999000 as an elective.
- If you are in band, you should choose **both** Marching Band and Symphonic Band.
- ROTC is taught at LFO and RHS. Buses take students to ROTC, but parents must provide transportation home.
- Students who plan to attend college need 2 semesters of the same foreign language.
- Select juniors could be approved for Work Based Learning. If you are interested, see Mrs. Helton in the Career Center. Be aware that you must have a job in an HHS career pathway area. You will still select 8 classes, and if you are approved for WBL, your electives will be dropped. Absences and tardies will affect your possibility of being chosen for this program.

**Step 3 is to select 3 Alternates** in case the electives you have requested are full. Enter these under Alternate Courses.

**If you have followed steps correctly, you should have 16 out of 16 Requested Units.**
