

## TIPS AND TRICKS

### DO

- represent yourself in a positive light
- use an appropriate username (like your name!)
- know that everything can be traced back to you including texts and pictures

### DON'T

- post anything or be tagged in anything you wouldn't want in a news headline (words or pictures!)
- post anything illegal or incriminating
- assume others can't see your profiles because they are private

### Stay out of Trouble

SENDING, RECEIVING, KEEPING, or PASSING ALONG nude or obscene pictures can result in a variety of charges or outcomes depending on your age and state:

- child pornography
- sexual exploitation of a minor
- jail time
- probation
- sexoffender registry
